Mission

To provide a professional, efficient and reliable service to customers in the region, and to conduct our business in the highest ethical manner, in order to achieve total customer satisfaction.

Vision

To focus on providing world class logistics service at a level always exceeding our competitors.

In providing this high level of service we will build long-term relationships with our clients by always meeting their needs and expectations.

We will offer our clients not just a reactive service but also a proactive approach by using our knowledge to not only provide excellent service, but to also help guide our clients in the most effective direction as it pertains to transport logistics.

We will always be committed to excellence, which can only be measured by the satisfaction of our clients.

Core Values

Leopack has seven key core values to help us make choices and decisions:

Integrity

Doing what we promise in a consistent, honest & professional manner.

Initiative & innovation

Being creative, encouraging ideas & focusing on adding value to our customers.

Passion

Caring more than our competitors and being accountable for our performance, whilst we enjoy doing our job.

Leadership

We encourage all of our people to make decisions and apply their knowledge and expertise to all tasks.

We will do this by:

- Being accountable for our actions
- Being independent, open minded and enthusiastic
- Constantly developing & challenging our people
- Communicating consistently & regularly
- Being open to customers & employees to see how & why we do things.
- Building strong teams

Recognition

Recognising & rewarding performance which exceeds expectations.

Courage

Having the courage to challenge change and strive for more than we thought possible yesterday.

Safety and environment

100% commitment to the safety of our people, our customers, the public and the environment.
